

Privacy Statement

Vital Stream only registers data from its customers, exclusively for the handling of appointments, customer contacts and optimizing the treatments. Vital stream ensures adequate protection of the data in a secure environment, which is only accessible to practitioners. The customer data is for internal use only and is never made available to third parties without permission. Customers have the right to inspect their data at all times, which will be changed or destroyed immediately by Vital Stream at their request. Requests for access, correction or destruction can be submitted verbally, in writing or by e-mail via the contact details stated on this website.
